

vibb

A modern airport lounge interior. In the foreground, a large, curved, blue upholstered sofa sits on a dark, textured floor. Behind the sofa, a large white rectangular panel is mounted on a light-colored wall, displaying the word "vibb" in a bold, black, lowercase sans-serif font. To the right of the sofa, a white pillar holds a digital flight information display showing "GATE 4 & 5" and a list of flights. A red fire alarm pull station is also visible on the pillar. In the background, there are glass doors leading outside, where a body of water and trees are visible. The ceiling is a grid of white acoustic tiles with several recessed circular lights.
